ABOUT THE MOYER FOUNDATION & CAMP ERIN

The Moyer Foundation was established in 2000 by World Series Champion and All-Star Major League Baseball pitcher, Jamie Moyer and his wife, Karen. The mission of the Foundation is to *help children in distress*. In addition to supporting local programs through grants, the Foundation created and funds Camp Erin. With a network of bereavement camps located in 36 cities in 23 states nationwide and one in Canada, Camp Erin is the largest bereavement camp in the country, serving more grieving children annually than any other organization.

Camp Erin is a bereavement camp designed for children and teens ages 6-17 who have experienced the loss of someone close to them. It is a traditional, fun, high-energy camp combined with grief education and emotional support.

Camp Erin is facilitated through a partnership with a local hospice or grief support agency. Together, these organizations and The Moyer Foundation raise funds with support from local corporate sponsors, community groups, and partners to help establish, fund and grow new camps, bringing the healing experience of Camp Erin to more children each year.

Through the Foundation's *Campaign for Kids* The Moyer Foundation plans to bring Camp Erin to as many as 60 cities nationwide, including one camp in every Major League Baseball city.

Proceeds from this event will support Camp Erin.

Thank you for joining our team- helping children in distress!

It means a lot to me to see how the Philly community has embraced Camp Erin and the Moyer Foundation – working together, raising awareness, support and becoming partners in our mission of helping children in distress. There are so many kids who will benefit from your generosity, and we are grateful for your support.”

-Jamie Moyer, Philadelphia Phillies
